Communicating Christ with People in Japan

One Precious Soul Was Saved!

Thankful for Japan Prayer Day

Many brothers and sisters around the world literally prayed for Japan. I have informed our people this fact. Everyone is strengthened. I explained and passed cards that Sunday School students of Calvary Baptist Church had made. Everyone who comes to this mission and my English Class received them. All of them said "Thank You!". We are planning on reaching more people out side of our immediate relationships with the messages of love of God. I have encouraged our people to pray and give to aid the afflicted. Please, continue praying for us and others who need Jesus.

Celebrated The Risen Savior

For 2 Sundays, we focused on celebrating the Risen Savior. I preached God's Word on Facts and Meanings of Jesus' Resurrection and challenged people to firmly have faith in Him. My brother in law made a small progress toward

salvation. He admitted that he believes the fact There must be only one God. He needs more prayers.

J. B. A. Messengers' Meeting

Messengers meeting of Japan Baptist Association was held on 29 April. We participated in this meeting. I'll continue serving as the assistant treasurer and Bro. Oba will serve as the president of Youth Assembly.

Pastor Stewart family visited us.

From Olive Branch M. B. C. , Pastor Roger Stewart, Sister Gena and their son, Brother Hayden visited with us on 28 April to 1 May. We planned special Evangelistic Revival services. They went great! Everyone participated in the services was impacted

by the preaching of the Word, testimonies of God's grace, and encouragement that this family has left. During these services, one precious soul (1st on right back row, 2nd pic.) was saved and several indicated their renewed commitment to serve the Lord. Praise God!

The Message was preached to me!

This new born believer in Christ, Brother Akio Imai said the above statement. During morning worship 1 May, he responded to invitation. As I counseled with him, he affirmed his need to be saved. Then, he prayed and received Jesus as his Savior. When I first met him in February 2009, he was a Buddhist. He attended church semi-regularly. Though I worked with him over 2 years, yet, he still did not accept the Gospel. Last year, he lost his father due to heart attack. God used us to comfort him. He came a long way to realize that Jesus is trust worthy. Please, pray for this new believer.

Thank you for your faithful prayers and support!
