

# Cornerstone Builders

August, September, October

Hello friends!

Summer was quiet due to Covid and the cancellation of projects, but building has resumed once more!

Here is a quick overview of what we have been up to:

Our lives are a little different right now... Hannah has started college, Tanner is enrolled in a local private Christian school, and Lisa is working almost full time to help fund these educational endeavors, so we are not currently travelling as a family like we have for the past several years. However, the Cornerstone Ministry is still going strong.

Recent projects include a house remodel for missionaries in New Mexico in September, assisting with the construction of a new home for a fellow mission builder in Kentucky (also in September), and roofing projects for both the church and pastor of First MBC in Fresno, CA, and a roofing project for the pastor of Live Oak Missionary Baptist Church in Live Oak, CA in October. Current work is at our home church making several repairs on the church building and also to some members' homes.

Also in October, we had the privilege of joining Hillcrest Baptist Church in Acworth, GA for their annual Missions Revival. We enjoyed a great time of fellowship with the church members and other missionary guests. We are sincerely thankful for the love they showered on our family!

<b>TOTAL</b>	<b>3,843.00</b>

*Thank you so much for your support! Please continue to send all monthly support and offerings to:*

Cypress Baptist Church  
PO Box 293384  
Sacramento, CA 95829

*NOTE: Please do not send correspondence to our church street address as it is not very secure.*

*New ministry opportunity...*

*Recently we were introduced to a couple from Texas that is working to help the inhabitants of the island of Barbuda to rebuild their homes and lives in the aftermath of Hurricane Irma. Donnie and Bonnie Floyd have been working with the Barbudan people for several years and have an amazing story of how God united their hearts with these people through tragedy and forgiveness. We have been invited to get involved in the reconstruction efforts as the vast majority of all structures on the island were wiped out by the hurricane in 2017, and many remain in disrepair to this day. We will be taking a survey trip to the island on January 14-22 to see the work that needs to be done and evaluate the best way to accomplish it. Our plan is to return there with a team of 10 to 12 builders later in the year. Please pray for this effort and check out the website of the couple heading up this ministry: [www.bonniefloyd.com](http://www.bonniefloyd.com). Reach out to us if this is something you would like to be involved with!*

*The island of Barbuda is located in the Caribbean, east of Puerto Rico. It is one of the two islands that make up the nation of Antigua and Barbuda*

*Financial reports for June, July, August and September are available by request.*

Praises: We are thankful to report that one of our vehicles in Brazil has sold! Please continue to pray for the other one to sell. In our last newsletter we asked for prayer for purchasing vehicles here- the Lord has blessed with a car for Hannah and also a family car.

We are so thankful that our children have been able to attend school, even with the pandemic. They are both thriving.

Please pray for us to continue to discern the Lord's leading and direction for our family and our ministry. We are also praying for a place to live- we are still in our fifth wheel.
